RE: FOIA Request #06-014

Dear Mr. Turk:

Thank you for your letter of February 1, 2006, requesting information under the Freedom of Information Act. In your letter, you requested a copy of BPA's current IKON/Canon copier contract, all modifications, and six-month volume history.

Your request was received by our office on February 14, 2006, and has been logged in as FOIA #06-014. In your letter, you expressed a willingness to pay processing fees up to \$50 for your request. BPA will contact you if your request exceeds this amount.

Additionally, you requested a waiver of these fees because the documents requested can be considered as primarily benefiting the general public and release is in the public interest. Two basic requirements set forth the fee waiver standards, both of which must be satisfied. First, it must be established that disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government. Second, it must be established that disclosure of the information is not primarily in the commercial interest of the requestor. BPA has determined that Xerox does not meet both requirements and has decided to deny your request for a fee waiver.

Ms. Diane Roth, contract specialist, has been designated as Authorizing Official for your request. Ms. Roth has 20 working days, until March 15, 2006, to provide a response. Should you have any questions, Ms. Roth may be reached at Mail Stop TLOS-4 or by calling 503/230-5091.

Sincerely,

RE: FOIA Request #06-014

Dear Mr. Turk:

I am writing regarding your Freedom of Information Act (FOIA) request #06-014. We are unable to meet the initial deadline for completion of this FOIA request. As permitted by statute, we will take a ten working-day extension of time in which to respond to your request. The extension will also provide us with enough time to collect and complete the review process of the materials gathered in response to your FOIA request. The new due date for this FOIA is March 29, 2006.

If you have any questions, please contact me at 503/230-7303. Thank you for your patience.

Sincerely,
